

SIXTY FATHOMS MAINTENANCE MANAGEMENT

Vessel Maintenance, Records & Service Tracking

Professional maintenance management for vessel owners who want one organized record of what has been done, what is due next, and what their vessel is costing to maintain.

WHAT WE MANAGE

- Vessel master information and specifications
- Engine and generator serial numbers
- Engine hours and service intervals
- Oil and filter changes
- Cooling-system maintenance
- All mechanical parts, systems and repairs
- Parts purchased and installed
- Labor and outside-vendor services
- Warranty information
- Receipts, invoices and service documents
- Upcoming maintenance and follow-up inspections
- Slip, harbor, trailer and berthing information
- Expenses flagged for accountant review and tax organization

EXAMPLE CLIENT - FICTIONAL DEMO

Vessel: M/V Pacific Sentinel

Propulsion: Twin Cummins 6BTA 5.9 12-Valve Diesels

Berthing: Permanent marina slip

Management Period: Three Months

Routine Maintenance: Engine oil and filter service, engine-hour readings and next-service calculations.

Mechanical Repairs: Mechanical failures, repairs, replacement parts, installation history and follow-up inspections.

Parts & Documentation: Part numbers, suppliers, costs, installation dates, warranties, invoices and receipts.

Forward Planning: Upcoming services, inspections and maintenance items are identified before they become overdue.

WHAT THE CLIENT RECEIVES

A clear digital vessel-maintenance record showing:

What was done • When it was done • Who performed it • What parts were used • What it cost • What is due next

Additional materials available upon request: A complete Sixty Fathoms demo workbook and our Potential Client Questions & Answers guide are available for prospective clients who would like a more detailed look at how the service works.

SIXTY FATHOMS MAINTENANCE MANAGEMENT

Know your vessel. Know its history. Know what comes next.

This example contains fictional vessel and maintenance information and is provided solely to demonstrate the Sixty Fathoms Maintenance Management service.
